KITSAP MUSTANG CLUB AUTOMOTIVE SCHOLARSHIP

The Kitsap Mustang Club is offering a \$1,000 scholarship to a high school senior graduating in 2025 in the following school districts who plans to pursue a vocation/technical school education in the automotive trades.

**Chimacum, Port Townsend, Bainbridge Island, Bremerton, Central Kitsap,
North Kitsap, South Kitsap, Christian, North Mason, Shelton and Peninsula**

The scholarship can be used for enrollment at any accredited college, university or vocational-technical school. The recipient must enroll in the institution during the school year following graduation and be enrolled full time. The scholarship money will be paid to the educational institution.

Scholarship applications will be on our club website at <http://kitsapmustangclub.org> on January 31, 2025 and are due March 31, 2025. Selection will not be based on your grade point average, but we will require a copy of your most current transcript. Some of what we are asking on the application is about classes you have taken in high school, skills you have learned and applied, any activities in school or the community, any work experience and, of course, your plans for the future. A more detailed description is on the application and all dates relative to the scholarship as well.

If you have any questions, please email us at kitsapmustangclubscholarship@gmail.com
